

TIDCO engages ITCOT for preparation of Detailed Project Report on Data Centre Park near Chennai

Tamil Nadu Industrial Development Corporation Limited, a Government of Tamil Nadu Enterprise, has awarded the assignment of preparing Detailed Project Report (DPR) for establishment of **Data Centre Park** in an area of 70 acres at SIPCOT Industrial Park, Pillaipakkam Village, Sriperumbudur Taluk, Kancheepuram District.

The Park is aimed at providing Plug & Play facility for setting up of Data Centres. The facilities proposed to be provided in the park include dual source power, water, district cooling station, back-up genset power and low latency high-capacity communication network connectivity. With an estimated capacity of 20,000 racks, the park is expected to attract investments to the tune of ₹ 5,000 crores.
