

Director of Municipal Administration appoints ITCOT as Consultant for the preparation of DPR and Transaction Advisory for setting up of Bio-CNG plants in 9 Municipal Corporations in Tamil Nadu

Tamil Nadu is one of the most urbanized states in India. The Government of Tamil Nadu (GoTN) is committed to improve urban infrastructure and simultaneously address institutional strengthening, and targets reforms in urban governance.

The Director of Municipal Administration, Government of Tamil Nadu has proposed to establish Bio-CNG in 9 corporations viz. Coimbatore, Madurai, Salem, Tiruchirapalli, Tirunelveli, Tiruppur, Thanjavur, Nagercoil and Tambaram under Swachh Bharat Mission - Urban 2.0 (SBM 2.0).

ITCOT Limited was selected as Consultant for the preparation of Detailed Feasibility Report and providing Transaction Advisory for setting up of Bio-CNG Plants in the above 9 Municipal Corporations in Tamil Nadu.
